Internal Revenue Service 401 W. North St. Room 225 Lima, OH 45801 Person to Contact:

We have accepted the offer in compromise you signed and dated on 10/28/2020. The acceptance date is the date of this letter and acceptance is subject to the terms and conditions on the enclosed Form 656, Offer in Compromise.

We applied \$9,261.90 as payment toward your accepted offer. The last payment we received was for \$9,261.90 on 11/02/2020.

The conditions of the offer require you to timely file and pay all required taxes for five tax years (including any extensions). This requirement begins on the date of this letter.

Effective November 1, 2021, for offers accepted on or after this date, the IRS will not offset refunds and credits to the tax years you listed in Form 656. If applicable, you may receive any refund or credit that you are entitled to after the acceptance date of this offer. If you want your refund or credit applied to your offer amount or your liability instead of issued to you, you must contact the person listed at the top of this letter. Any refunds or credits prior to the offer acceptance date will be applied to your liability, not to your accepted offer. If we filed a Notice of Federal Tax Lien against you, we will release it when you pay the offer in full. If you make the final payment by credit or debit card, we won't be able to release the Notice of Federal Tax Lien for up to 120 days from the date of the credit or debit payment.

If you are required to make any payments under this agreement, make your check or money order payable to the United States Treasury. Write "offer payment" on the check, include your social security number or employer identification number on the payment and send it to:

If you have submitted a joint offer with your spouse or former spouse and you are meeting or have met all the conditions of your offer agreement, but your spouse or former spouse does not meet the conditions of the offer agreement, your offer will not default.

If you fail to meet any of the terms and conditions of the offer, we will issue a notice to default the agreement. If the offer defaults, the original tax, including all penalties and interest will be due immediately. If we issue the default notice, we may:

- Immediately file suit to collect the entire unpaid balance of the offer.

It is your responsibility to keep a record of payments and to monitor the remaining balance due of the offer terms. Section 7 Offer Terms

By submitting this offer, I have read, understand and agree to the following terms and conditions:

Terms, Conditions, and Legal Agreement

- a) I request that the IRS accept the offer amount listed in this offer application as payment of my outstanding tax debt (including interest, penalties, and any additional amounts required by law) as of the date listed on this form. I authorize the IRS to amend Section 1 or Section 2 if I falled to list any of my assessed tax debt or tax debt assessed before acceptance of my offer. By submitting a joint offer, both signers grant approval to the Internal Revenue Service to disclose the existence of any separate liabilities owed.
- b) I also authorize the IRS to amend Section 1 or Section 2 by removing any tax years on which there is currently no outstanding liability. I understand that my offer will be accepted, by law, unless IRS notifies me otherwise, in writing, within 24 months of the date my offer was received by IRS. I also understand that if any tax debt that is included in the offer is in dispute in any judicial proceeding that tax debt will not be included in determining the expiration of the 24-month period.

IRS will keep my payments, fees, and some refunds.

- c) I voluntarily submit the payments made on this offer and understand that they will not be returned even if I withdraw the offer or the IRS rejects or returns the offer except as otherwise provided in subpart (h) of this section (regarding "deposit" amounts). Unless I designate how to apply each required payment in Section 5, the IRS will apply my payment in the best interest of the government, choosing which tax years and tax debts to pay off. The IRS will also keep my application fee unless the offer is not accepted for processing.
- d) I understand that if I checked the Low-Income Certification in Section 1, then no payments are required. If I qualify for the Low-Income Certification and voluntarily submit payments, all money will be applied to my tax debt and will not be returned to me unless I designate it as a deposit. In making my deposit I do not have to designate any amounts to the application fee and my first month's payment.
- e) The IRS will keep any refund, including interest, that I might be due for tax periods extending through the calendar year in which the IRS accepts my offer. I cannot designate that the refund be applied to estimated tax payments for the following year or the accepted offer amount. If I receive a refund after I submit this offer for any tax period extending through the calendar year in which the IRS accepts my offer, I will return the refund within 30 days of notification. The refund offset does not apply to offers accepted under the provisions of Effective Tax Administration public policy/equity or Doubt as to Collectibility with special circumstances based on public policy/equity considerations.
- f) I understand that the amount I am offering may not include part or all of an expected or current tax refund, money already paid, funds attached by any collection action, or anticipated benefits from a capital or net operating loss.
- g) The IRS will keep any monies it has collected prior to this offer. Under section 6331(k), the IRS may levy on my property and rights to property up to the time that the IRS official signs and acknowledges my offer as pending. The IRS may keep any proceeds arising from such a levy. No levy will be issued on individual shared responsibility payments. However, if the IRS served a continuous levy on wages, salary, or certain federal payments under sections 6331(e) or (h), then the IRS could choose to either retain or release the levy.
- h) The IRS will keep any payments that I make related to this offer. I agree that any funds submitted with this offer will be treated as a payment unless I checked the box to treat any amount more than the required initial payment as a deposit. For other than Low-Income taxpayers, only amounts that exceed the mandatory payments can be treated as a deposit. A Low-Income taxpayer who has checked the deposit box is not required to make payments with the offer. I also agree that any funds submitted with periodic payments made after the submission of this offer and prior to the acceptance, rejection, or return of this offer will be treated as payments, unless I identify the amount more than the required payment as a deposit on the check submitted with the corresponding periodic payment. A deposit will be returned if the offer is rejected, returned, or withdrawn. I understand that the IRS will not pay interest on any deposit. If the IRS attempts to return a deposit once and it comes back as undeliverable then the IRS will apply the funds to my tax liability.
- i) If my offer is accepted and my final payment is more than the agreed amount by \$50 or less, the IRS will not return the difference, but will apply the entire payment to my tax debt. If my final payment exceeds the agreed amount by more than \$50, the IRS will return the excess payment to me.

Pending status of an offer and right to appeal

- j) Once an authorized IRS official signs this form, my offer is considered pending as of that signature date and it remains pending until the IRS accepts, rejects, or returns my offer, or I withdraw my offer. An offer is also considered pending for 30 days after any rejection of my offer by the IRS, and during the time that any rejection of my offer is being considered by the Appeals Office. An offer will be considered withdrawn when the IRS receives my written notification of withdrawal by personal delivery or certified mail or when I inform the IRS of my withdrawal by other means and the IRS acknowledges in writing my intent to withdraw the offer.
- k) I waive the right to an Appeals hearing if I do not request a hearing in writing within 30 days of the date the IRS notifies me of the decision to reject the offer.

## Section 7 (Continued)

## Offer Terms

I must comply with my future tax obligations and understand I remain liable for the full amount of my tax debt until all terms and conditions of this offer have been met. I) I will comply with all provisions of the internal revenue laws, including requirements to timely file tax returns and timely pay taxes for the five year period beginning with the date of acceptance of this offer and ending through the fifth year, including any extensions to file and pay. I agree to promptly pay any liabilities assessed after acceptance of this offer for tax years ending prior to acceptance of this offer that were not otherwise identified in Section 1 or Section 2 of this agreement. I also understand that during the five year period I cannot request an installment agreement for unpaid taxes incurred before or after the accepted offer, If this is an offer being submitted for joint tax debt, and one of us does not comply with future obligations, only the non-compliant taxpayer will be in default of this agreement. An accepted offer will not be defaulted solely due to the assessment of an individual shared responsibility payment.

m) I agree that I will remain liable for the full amount of the tax liability, accrued penalties and interest, until I have met all of the terms and conditions of this offer. Penalties and interest will continue to accrue until all payment terms of the offer have been met. If I file for bankruptcy before the terms and conditions of the offer are met, I agree that the IRS may file a claim for the full amount of the tax liability, accrued penalties and interest, and that any claim the IRS files in the bankruptcy proceeding will be a tax claim.

n) Once the IRS accepts my offer in writing, I have no right to challenge the tax debt(s) in court or by filing a refund claim or refund suit for any liability or period listed in Section 1 or Section 2, even if the IRS defaults the offer.

I understand what will happen if I fall to meet the terms of my offer (e.g., default). o) If I fail to meet any of the terms of this offer, the IRS may revoke the certificate of release of federal tax lien and file a new notice of federal tax lien; levy or sue me to collect any amount ranging from one or more missed payments to the original amount of the tax debt (less payments made) plus penalties and interest that have accrued from the time the underlying tax liability arose. The IRS will continue to add interest, as required by section 6601 of the Internal Revenue Code, on the amount the IRS determines is due after default. Shared responsibility payments are excluded from levy.

I agree to waive time limits provided by law.

p) To have my offer considered, I agree to the extension of the time limit provided by law to assess my tax debt (statutory period of assessment). I agree that the date by which the IRS must assess my tax debt will now be the date by which my debt must currently be assessed plus the period of time my offer is pending plus one additional year if the IRS rejects, returns, or terminates my offer or I withdraw it. (Paragraph (j) of this section defines pending and withdrawal.) I understand that I have the right not to waive the statutory period of assessment or to limit the waiver to a certain length or certain periods or issues. I understand, however, that the IRS may not consider my offer if I refuse to waive the statutory period of assessment or if I provide only a limited waiver. I also understand that the statutory period for collecting my tax debt will be suspended during the time my offer is pending with the IRS, for 30 days after any rejection of my offer by the IRS, and during the time that any rejection of my offer is being considered by the Appeals Office.

I understand the IRS may file a Notice of Federal Tax Lien on my property. q) The IRS may file a Notice of Federal Tax Lien during consideration of the offer or for offers that will be paid over time. If the offer is accepted, the tax lien(s) for the periods and taxes listed in Section 1 will be released within 35 days after the payment has been received and verified. The time it takes to transfer funds to the IRS from commercial institutions varies based on the form of payment. If I have not finished paying my offer amount, then the IRS may be entitled to any proceeds from the sale of my property. The IRS will not file a Notice of Federal Tax Lien on any individual shared responsibility debt.

**Correction Agreement** 

r) I authorize the IRS, to correct any typographical or clerical errors or make minor modifications to my Form 656 that I signed in connection to this offer.

I authorize the IRS to contact relevant third parties in order to process my offer. s) By authorizing the IRS to contact third parties, I understand that I will not be notified of which third parties the IRS contacts as part of the offer application process, including tax periods that have not been assessed, as stated in \$7602 (c) of the Internal Revenue Code. In addition, I authorize the IRS to request a consumer report on me from a credit bureau.

I am submitting an offer as an individual for a joint liability.

t) I understand if the liability sought to be compromised is the joint and individual liability of myself and my coobligor(s) and I am submitting this offer to compromise my individual liability only, then if this offer is accepted, it does not release or discharge my co-obligor(s) from liability. The United States still reserves all rights of collection against the co-obligor(s).

I understand the IRS Shared Responsibility Payment (SRP). u) If your offer includes any shared responsibility payment (SRP) amount that you owe for not having minimum essential health coverage for you and, if applicable, your dependents per Internal Revenue Code Section 5000A - Individual shared responsibility payment, it is not subject to penalties (except applicable bad check penalty) or to lien and levy enforcement actions. However, interest will continue to accrue until you pay the total SRP balance due. We may apply your federal tax refunds to the SRP amount that you owe until it is paid in full.

I understand the IRS is required to make certain information public.

v) The IRS is required to make certain information, such as taxpayer name, city/state/zip, liability amount, and offer terms, available for public inspection and review for one year after the date of offer acceptance.
